Key Definitions, Terms, Notes, and General Information

Academic Catalog - Available online, this document details Menlo College's curriculum, all policies, processes, and other requirements

<u>Credits/Hours/Units</u> – The unit measuring educational 'credit', usually based on the number of class hours per week through a semester. This is the number in parentheses to the right of the course title on the front page

Degree Requirements -

<u>ments</u> - \Box Students must complete & pass <u>124 units</u>; 42 of these units must be upper division

□ Cumulative GPA overall for all courses, and GPA for all major & core courses MUST equal 2.0 or greater

Designated courses may require C- to pass, ex: MTH101, 102, ENG101, 102, etc. See course descriptions for details

 \Box 30 units in major & core must be completed <u>at</u> Menlo; at least 24 of these units must be upper division

 \Box Last two semesters before graduation, a student *must* be enrolled <u>at</u> Menlo

Electives - Almost any course taken that is NOT already required as a part of GE, Core, or Major requirements. See an advisor for exceptions

Foreign Language 102 - NOT an upper division course; will NOT meet any upper division requirement

<u>General Education</u> – These required courses are designed to introduce students to a variety of subjects & disciplines, and to assure Menlo graduates possess strong writing, quantitative, & analytical skills

Internship (Business) - Typically completed in the summer before senior year. Please contact the Internship office to discuss options & ask questions

<u>Lower-Division</u> – Courses numbered lower than 300 (ex: ENG 101) <u>Upper-Division</u> – Courses numbered 300 or higher (ex: PSY 411)

MCM 300 (History of Film) - May count as UD Humanities/History course, or UD MCM course

<u>No "double-dipping"</u> – Courses may only count as one requirement. Example: MCM 333 is required for Business degrees, so it will not *also* count as the upper-division Social Science requirement
