Key Definitions, Terms, Notes, and General Information

Academic Catalog – Available online, this document details Menlo College’s curriculum, all policies, processes, and other requirements

Credits/Hours/Units – The unit measuring educational ‘credit’, usually based on the number of class hours per week through a semester. This is the number in parentheses to the right of the course title on the front page.

Degree Requirements –

- Students must complete & pass 124 units; 42 of these units must be upper division
- Cumulative GPA overall for all courses, **and** GPA for **all** major & core courses **MUST** equal 2.0 or greater
- Designated courses may require C- to pass, ex: MTH101, 110, ENG 101, 102, etc. See course descriptions for details.
- 30 units in major & core must be completed **at** Menlo; at least 24 of these units must be upper division.
- Students must be enrolled in at least one of the last two semesters before graduation **at** Menlo.

Double Majors – two majors within the same degree (ex: BS in Business with majors in Accounting & Finance); usually 145 units total.

Electives – Almost any course taken that is NOT already required as a part of GE, Core, or Major requirements. See an advisor for exceptions

General Education – These required courses are designed to introduce students to a variety of subjects & disciplines, and to assure Menlo graduates possess strong writing, quantitative, & analytical skills.

Internship (Business) – Typically completed in the summer before senior year. Please contact the Internship office to discuss options & ask questions

Lower-Division – Courses numbered lower than 300 (ex: ENG 101)

Upper-Division – Courses numbered 300 or higher (ex: PSY 411)

No “double-dipping” – Courses may only count as one requirement. Example: ECO 201 is required for Business degrees, so it will not *also* count as a Social Science requirement for business majors.

Subjects – ACC (Accounting), BSA (Business Analytics), ECO (Economics), ENG (English), ENT (Entrepreneurship), FIN (Finance), HIS (History), HRM (Human Resources Management), HUM (Humanities), INB (International Management), LIT (Literature), MTH (Math), MCM (Mass Communication), MGT (Management), MKT (Marketing), POL (Political Science), PSY (Psychology), RLS (Real Estate), SMG (Sports Management), SSC (Social Sciences), STS (Study Skills)

Transfer courses – Maximum 70 lower-division credits and 24 upper-division may be transferred in for credit. Community college classes will only count as lower-division. Upper-division are typically taken at a 4-year institution. Transfer courses do not affect your Menlo GPA.
