# Menlo College

Find Your Best-Fit Major Based on Your Skills & Interests!

Name \_\_\_\_\_

**Business Degree:** Accounting, Business Analytics, Entrepreneurship & Innovation, Finance, International Business, Marketing, Real Estate, Sports Management.

**Psychology Degree:** Psychology

**How It Works:**

- Read each section.
- **Check off** the statements that sound like *you*.

## The Data & Numbers Person

- I like working with numbers and finding patterns.
- I think data and stats are interesting.
- I love figuring out why things happen and predicting trends.
- I enjoy solving problems using logic.
- I want a job that uses AI, technology, or big data.

 **You might love:** *Business Analytics*

## The Money Mind

- I'm interested in how money works.
- I like learning about investing, saving, and managing money.
- I think working in banks, stocks, or finance sounds cool.
- I enjoy making smart financial decisions.
- I like the idea of helping people or companies grow their money.

 **You might love:** Finance

## The Detail-Oriented One

- I like keeping things organized and making sure everything adds up.
- I enjoy tracking money, expenses, or budgets.
- I find it satisfying when everything is in order.
- I'm good at working with details and making sure nothing is missed.
- I'd like a career where I help businesses manage their money.

 **You might love:** *Accounting*

## The Trendsetter & Creative One

- I love social media and keeping up with trends.
- I enjoy making things look good—whether it's a brand, a video, or an outfit.
- I like thinking about what makes people buy certain things.
- I'd have fun working with influencers or creating ad campaigns.
- I want a job where I can mix creativity with business.

 **You might love:** *Marketing*

## The Future Entrepreneur

- I want to start my own business one day.
- I always have new ideas and love thinking outside the box.
- I'd rather be my own boss than work a 9-to-5 job.
- I don't mind taking risks if there's a big reward.
- I like pitching ideas and getting people excited about them.

 **You might love:** *Entrepreneurship & Innovation*

## The People Person

- My friends always come to me for advice.
- I find human behavior and emotions super interesting.
- I like learning about mental health and how the brain works.
- I want a job where I can help people.
- I'd enjoy being a counselor, therapist, or researcher.

 **You might love:** *Psychology*

## The World Traveler

- I love the idea of working in different countries.
- Learning about new cultures and markets sounds exciting.
- I'm interested in how businesses work globally.
- I like the idea of helping companies expand worldwide.
- I want to work for a big international company.

 **You might love:** *International Business*

## The Sports Business Fan

- I love sports, but I'm more into the business side than playing.
- I'd love to work with professional athletes or teams.
- I'm interested in sports marketing, sponsorships, and branding.
- I enjoy planning events, especially for sports.
- Working in a major sports league would be awesome.

 **You might love:** *Sports Management*

## The Real Estate Boss

- I like checking out houses and properties.
- I'm interested in investing in real estate and making money from it.
- I'd enjoy helping people buy and sell homes.
- I love watching real estate market trends.
- I want a job where I can make a lot of money and have a flexible schedule.

 **You might love:** *Real Estate*

## What's Next?

Now that you've checked off your interests, **see which section had the most checkmarks!** That could be your best-fit major.

 **Tip:** Research the classes and career paths for your top choice to see if it's a good match!
